

Fluffy Card

This is free for personal use only.

.....

Preparations.

Kent Paper or Bristol Paper (A4 or 8 1/2"×11")

Patterned cloth (13cm×8.5cm, 5.2"×3.4")

Polyester stuffing.

Machine-sewing thread, Sewing machine,

Drafting tape or Masking tape.

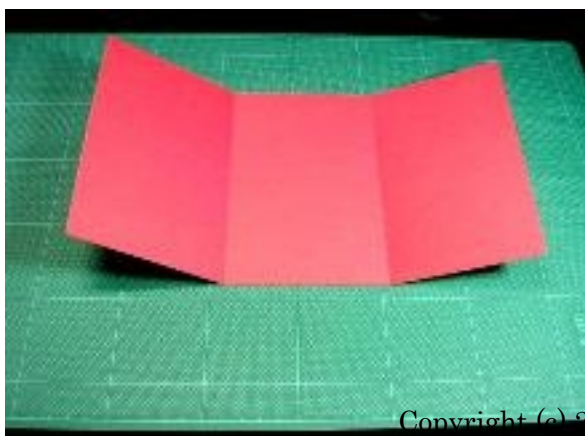

Scissors, Ribbon, Stencil pen (metallic pencil)

Print a pattern from HP on A4 paper.

Cut along the outline.
And cut out the silhouette of a tree.

Lay a pattern paper on the Kent paper,
Mark the points of outline and fold line.
Cut the outline.
Draw the folding lines with a stencil pen.

Lay the Pattern paper upside down on the back side of the Kent paper.

Draw the lines of a silhouette of a tree.

Cut the silhouette.

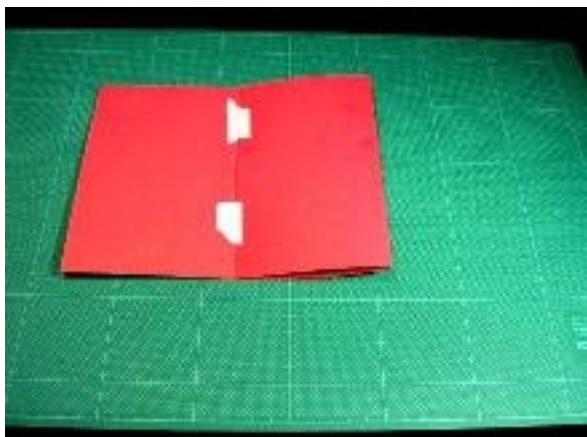

Lay a fabric upside down on a back side of a Kent paper.

Extend stuffing and lay it on the fabric.

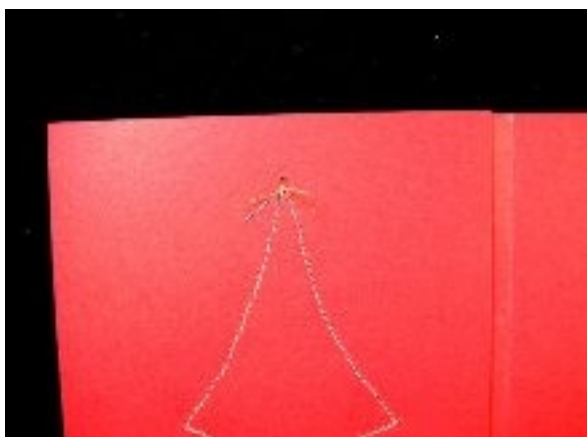

Fold the inside part,

Tape on the edge.

Sew around the silhouette with a metallic thread.
Do not back stitch.

Inside view.
Pull the thread to back side, tie a knot and cut excess thread.

Set a paper and tie a gold ribbon around center of the card.

Apply a ribbon on top of the tree.

Finish !!

Other designs.

Boot

Bell

Heart for Saint Valentine's Day

Flower for birthday

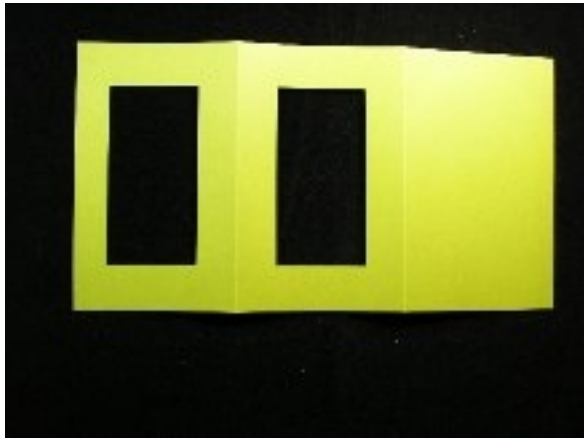

←And also you can make a card without stuffing for spring and summer.

Application idea

Wide organdy ribbon gold printed.

Cut out two rectangles,

Slip a ribbon in between rectangles and make it in the same way.
It'll be a chic card.

Enjoy!
